

Pig Grower 8840

Pig Grower 8840 is a quality pig grower food formulated to be fed to growing pigs from 10 weeks of age. It is nutritionally balanced for essential nutrients to ensure strong, healthy growth, economical feed conversion and high lean meat yield.

FEEDING RECOMMENDATIONS

Feed **Pig Grower 8840** *ad lib.* from 10 weeks of age until market or alternatively go onto **Pig Finisher Pellets** at 18 weeks and feed through to market.

Ensure that animals have access to clean fresh water at all times.

FURTHER INFORMATION

Laucke Mills has an extensive range of pig feeds for all classes of pig, from pre-starter creep feed all the way through to heavy bacon, gilt and sow feeds.

Should you wish to design a feeding programme to suit your piggery's genetics, infrastructure and other unique requirements, please do not hesitate to contact us.

We can work with you to modify your feeding regime according to performance goals, target weights and carcase traits.
