

Roo Food

Roo Food is a nutritious diet formulated to be fed to kangaroos and wallabies. It is a complete diet that requires no other supplementary feeding other than roughage and clean, fresh water.

ANALYSIS

	As Fed	DM @ 89 %
Total Protein (min)	15.0 %	16.9 %
Fat (min)	2.0 %	2.2 %
Fibre (max)	20.0 %	22.5 %
Salt (max added)	1.3 %	1.5 %

FEEDING RECOMMENDATIONS

Feed **Roo Food** *ad lib.* along with roughage.

Introduce gradually and avoid sudden changes to diet as digestive problems may occur. If digestive problems occur reduce the amount of **Roo Food** being fed and increase roughage consumption until normal digestive activity resumes.

Roughage and clean, fresh water must be available at all times.

WARNINGS

This feed has been manufactured specifically for animals as described, do not feed to any other species of animal.

Store in a cool, dry place away from direct sunlight.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL
