# Laucke Premium Dog Foods

**Great Barko, Uncle Alber's & Dib's** are balanced and complete diets for your dog. No other foods or supplements are required to be fed apart from clean, fresh water.

The quality recipe and exacting nutritional specifications of **Great Barko, Uncle Alber's & Dib's** ensures that your dog receives essential nutrients such as protein, energy, vitamins and minerals that are required to maintain health and vitality.

You will notice that by volume **Great Barko, Uncle Alber's & Dib's** are heavier than many dry dog foods. This is because during the manufacturing process the ingredients are compressed tightly together into crunchy bite size pieces.

These crunchy pieces are beneficial in keeping your dogs teeth and gums, clean and healthy.

**Lamb, Beef & Pasta** + Turmeric Sage & Basil

| ANALYSIS   |             |
|------------|-------------|
| PROTEIN    | 26.0 % min. |
| FAT        | 13.5 % min. |
| VITAMIN A  | 8,000 iu/kg |
| VITAMIN D3 | 800 iu/kg   |
| VITAMIN E  | 100 mg/kg   |
| RIBOFLAVIN | 5 mg/kg     |
| THIAMINE   | 2 mg/kg     |
| BIOTIN     | 200 µg/kg   |

## FEEDING RECOMMENDATIONS

Introduce **Great Barko, Uncle Alber's & Dib's** gradually and increase the amount fed over a number of days.

These feeding recommendations are a guide only and will vary depending on activity level, breed and weather conditions.

As a general guide small dogs will consume approximately 1.5% of bodyweight and large dogs around 1% of bodyweight.

Very active dogs may require up to twice the normal amount and lactating bitches two to three times the normal amount. Adjust the amount fed based upon the body condition of your dog.

## INGREDIENTS

**Great Barko, Uncle Alber's & Dib's** are formulated from a selection of the following ingredients: Pasta, lamb, beef, pork and chicken meatmeal, fishmeal, fish oil, vegetable oil, fat from lamb, beef pork and chicken. Products derived from wheat, canola and soyabeans. Turmeric, basil, sage, natural flavours, bentonite, salt, digestive enzymes and antioxidants. Lysine, methionine, threonine, tryptophan and isoleucine.

**Vitamins:** A, D3, E, K, B1 (thiamine), B2 (riboflavin), B3 (niacin), B5 (pantothenate), B6 (pyridoxine), B7 (biotin), B9 (folic acid), B12 (cobalamin) and choline.

**Minerals:** Calcium, phosphorus, sodium, chloride, cobalt, copper, iodine, iron, manganese, organic selenium and zinc.

## FEEDING GUIDE

| SIZE OF DOG   | AMOUNT PER DAY   |
|---|--|
| <b>Toy. 5kg</b><br>e.g. Chihuahua, Pekingese, Toy Poodle                | 80g<br>   |
| <b>Small. 10kg</b><br>e.g. Australian Terrier, Corgi, Dachshund         | 160g<br>  |
| <b>Medium. 20kg</b><br>e.g. Kelpie, Border Collie, Boxer                | 260g<br>    |
| <b>Large. 30kg</b><br>e.g. Labrador, Greyhound, German Shepherd         | 300g<br>    |
| <b>Giant Breeds. 50kg</b><br>e.g. Great Dane, Newfoundland, St. Bernard | 500g<br>   |

**Cool, fresh water must be available at all times.**

1 metric cup = approximately 170g

# dib's premium dog bits

**Dib's Premium Dog Bits with Fish Oil & Turmeric** provide a complete and balanced diet for your dog. Fish oil is a rich source of omega 3 fatty acids, EPA and DHA and turmeric is a source of curcuminoids. The quality recipe and exacting nutritional specifications of Dib's ensures your dog receives essential nutrients that are required to maintain health and vitality.

The dense nature of **Dib's Premium Dog Bits** aids in oral hygiene, as the gentle, abrasive texture of **Dib's** massages and cleans teeth and gums. This assists in the removal of plaque, which is a precursor to gingivitis and periodontal disease.
